- 206 • Sustainability | 207 • Technology
- 208 • Textiles | 210 • Wellbeing
- 211 • Not yet onboard

Best for onboard

## CATERING INNOVATION

**Absolutely One - LATAM**  
This service innovation replaces the traditional tray set, with individual gourmet dishes that are 50% bigger and with fewer peripheral elements required. [gategroup.com](http://gategroup.com)

**James Martin rail menu**  
RG collaborated with celebrity chef James Martin to bring this range of quality route-specific, local products onboard Virgin Trains East Coast services. [railgourmet.com](http://railgourmet.com)

**SATS Soup-on-the-Go**  
Developed for easy storage in the galley, this easily rotatable, ambient shelf-stable range enables airlines to easily manage stocks, cut costs and wastage. [sats.com.sg](http://sats.com.sg)

**Schaer Gluten Free Meals**  
Combining Schaer's brand presence in over 60 countries with Oakfield Farms' onboard catering expertise for a gluten-free easy-to-serve solution. [oakfieldfarms.eu](http://oakfieldfarms.eu)

**The Barista Cup**  
A smart coffee cup that requires only 5gms of fresh coffee grounds which brew in the cup and are filtered through an inbuilt filtration system. [thebaristacup.com](http://thebaristacup.com)

INNOVATION MEANS  
MEETING A NEED. IT  
DOESN'T HAVE TO  
BE COMPLICATED.  
SOMETIMES  
SIMPLICITY ITSELF IS  
INNOVATION

**Ambient Ready-to-Eat Meals**  
A range of 48 retorted, oven-ready meals with a two-year shelf life in ambient conditions. They contain no preservatives. Efficient and cost saving. [dofood.com](http://dofood.com)

**Cloud Dine**  
A range of 10 tasty retail-inspired frozen dishes, packed and branded with a full ingredients list and food traffic light labelling system. [en-route.com](http://en-route.com)

**MiniBarBox Wines & Cocktails**  
Wines in patented glass tubes paired with chocolate truffles, and mix your own cocktails offered as a boxed, onboard interactive experience. [mbb-gateretail.com](http://mbb-gateretail.com)
